

A screenshot of a web application window titled "Login Form". The window has a light gray background and a standard window control bar at the top. The main content area contains two labels, "User Name" and "Password", each followed by a text input field. The "User Name" field contains the text "admin". The "Password" field contains six asterisks "*****". Below the input fields is a single "Login" button.

The screenshot displays a web application interface for adding a new row to a database. The main form, titled "Add New Row", contains several input fields: "Prescrip_ID" with the value "1344", "Date" with "02-11-2023", "Pateint Name" (empty), "Prescription" (empty), "Dr_Name" (empty), and "Fee_amt" with "2000". A blue "Add" button is located at the bottom right of the form. A modal dialog box titled "Message" is open in the center, displaying a blue information icon and the text "Data inserted Successfully!!". An "OK" button is present in the bottom right corner of the dialog box.
